

COMMUNITY ACTION PARTNERSHIP SOLANO  
JOINT POWERS AUTHORITY

HMIS SUBSIDY REQUEST FORM

The Solano County Homeless Management Information System (HMIS) is a shared database and software application which confidentially collects, uses, and shares client-level information related to homelessness in Solano County. Upon request, the Community Action Partnership of Solano, Joint Powers Authority (JPA) may grant subsidies to community-based non-profit organizations for the purpose of purchasing HMIS user licenses. Organizations wishing to be considered for a subsidy may submit this form to [solanoHMIS@homebaseccc.org](mailto:solanoHMIS@homebaseccc.org). If selected for a subsidy, the balance of payment is due to the JPA prior to license allocation. Subsidies are limited to the annual cost of one HMIS user license (\$288).
