## General Instructions

This is the entry form for VA programs in Solano County. This form should be filled out for all household members and entered into HMIS accordingly.

## HOMELESS STATUS VERIFICATION (CONTINUED)

### 3. DATE THE CLIENT BECAME HOMELESS THIS TIME

**When did the client start staying on the streets,\* in emergency shelters, or in safe havens this time?**

Determine the date of the last time the client had a place to sleep that was not on the streets, in an emergency shelter, or in a safe haven. Breaks in homelessness are allowed to be included in the look back period to calculate the start date only if:

- The client moved continuously between the streets, shelters, or safe havens. The date would go back as far as the first time they stayed in one of those places; OR
- The break in their time on the streets, shelters, or safe havens was less than 7 nights. A break is considered 6 or less consecutive nights not residing in a place not meant for human habitation, in shelter or in a safe haven. The look back time would not be broken by a stay less than 7 consecutive nights; OR
- The break in their time on the streets, ES, or SH was less than 90 days in any of the places listed under the header “institutional situations” on the previous page. The look back time would include all of those days (up to 89 days) when looking back for the start date.

If this is the client’s first day on the streets, shelters, or safe havens, enter today’s date.

\* “The streets” is being used as short-hand for any place unfit for human habitation (a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground).

		/			/				
Month		Day		Year					

### 4. NUMBER OF TIMES THE CLIENT HAS BEEN HOMLESS IN THE PAST THREE YEARS

**How many times has the client been homeless on the streets, in shelter, or in safe havens in the past three years, including this time?**

Count the times a client has been homeless, separated by breaks, in the last three years. A break means at least 7 consecutive nights of not living on the street, in an emergency shelter, or Safe Haven or at least 90 days in any of the places listed under the header “institutional situations” on the previous page.

<input type="checkbox"/>	One time (this time)	<input type="checkbox"/>	Four or more times

<input type="checkbox"/>	Three times	<input type="checkbox"/>	Client refused

### 5. TOTAL NUMBER OF MONTHS THE CLIENT HAS BEEN HOMLESS IN THE PAST THREE YEARS

**How many months, in total, has the client has been homeless on the street, in an emergency shelter, or Safe Haven over the past three years?**

Add the number of months homeless of all the different times the client has spent homeless on the streets, in shelter, or in safe havens in the past three years. Include any time a client spent in an institution for a period of less than 90 days or time spent in permanent or transitional housing for a period of less than 7 days. Responses may be rounded to the next-highest number of full months. The current month, even if a partial month, can be counted as a full month.

<input type="checkbox"/>	One month or less (choose if this is the first time the client has been homeless)
